## Job experience last 20 years:

As a permanent worker of Petroleos De Venezuela (PDVSA), I participated in training and training development up to international standards set forth by the International Maritime Organization. Obtained ISO 9000 certification and developed courses which were attended by the Company's workers as well as other participants from other Latin American countries. This assignment took several years but had a more pronounced development between 1997 to 2002.

Freelance entrepreneur Translation, food distribution — 2002- Jan 2019  
Freelance Translator, writer, Social Network marketing and audio visual content creator in Venezuela for marketing purposes.

Food distribution for local resellers in the town where I lived in Venezuela, Cabimas, Zulia State.

Had to leave Venezuela due to political persecution. Arrived in Miami on April 04, 2019. Filed for political asylum, and could not work until July 2020, when I received Employment authorization document and Social Security number.
